President's Message

A big THANK YOU to all the faithful workers who are responsible for the success of the first International Rally held in Region 3. Because of your efforts and the great rally site, I believe that another International Rally will be held here in the future.

We had a majority of attendees over any other Region (because we are the biggest and best) without any doubt. We had the most winners of contests.(enclosed elsewhere in newsletter) I think that everybody who attended this Rally was a winner (whether you competed or worked) We are proud of you all.

Thanks to all Unit Presidents and their First Mates for their great leadership as their term of office is almost complete. Time sure moves fast when you are having fun . I think that they would agree that it was a great experience.

The Region Officers are getting ready to install new Unit Officers and staff. We look forward to seeing you all during this time, as we travel from Virginia to Florida, to be part of your Unit's experience for 2008.

In closing I would like to remind you of the next Region 3 Rally, to be held at the North Carolina State Fair rounds in Raleigh, NC. On April 22-26,2008, we will enjoy the facilities for seminars, tours, entertainment and meals. I hope you will be able to attend.

I want you all to know that Jackie and I, THANK YOU for all for the privilege of representing you as Region 3 President and First Lady on the International Board of Trustees and while visiting other Regions and their events.

Tom Tisdel
President, Region 3, WBCCI

From the Editor's Desk

The summer is over and cooler, drier weather will be upon us soon. Fall and winter are great times for rallies and we have one that should prove to be spectacular in October. It's the South Carolina State Airstream Rally, Mountain Jamboree II in Cleveland SC. Dates are October 17th to 21st 2007. Hugh Boggs was kind enough to send along the information.

I am starting a few newsletter categories and I will need input from the units and Region Officers.

Region 3 Roundup: will contain information about significant Unit activities. Blow your own horn here.

Region 3 Rallies: Publicize your rallies here. Get people interested and let others know what's going on at your rally.

Region 3 Reports: Regional Officers will report on activities of interest to the membership.

I will also include a Mail Box if anyone wants to ask questions related to the Region's activities.

I am setting a publishing deadline for the next installment of October 31 2007 for the November issue. I am begging you for your input. Don't let your silence be deafening. (cricket, cricket, cricket).

When you send pictures, please give me a caption with who is in them and/or what is happening. Hopefully with more input I can make the newsletter more interesting.

Direct all of you input to, Vic Smith, your humble editor, at heartofglory1@aol.com .
