PRESIDENT'S LETTER

ANOTHER SUCCESSFUL RALLY IN DAYTONA!

WOW! The Daytona Rally was a super success. We had 14 units!! I was amazed by all the "thank you" and congratulatory remarks but I could not have done it without the Wengers and Allens who took care of breakfast each day and the finances. In fact, the Rally was such a success we are scheduling another Daytona Rally for October 2010. This will be the Election Rally to put us in concert with the WBCCI calendar. Randy Godfrey, your incoming President, has a thorough understanding of our club's programs and I look forward to being part of his team. I anticipate seeing a large turnout to the Annual Meeting in Kissimmee and I know the participation at the Christmas/Installation Rally at Fort Christmas will be as big as ever. Members who do not attend the Rallies are missing some wonderful experiences and the 3 F's ... Food, Fun and Friendships. See you down the road in a short-short. Tom

TRAVELS:

WYMER: Tim & I just got back from two great weeks of kayaking in the Florida Keys and spent Fourth of July at Rainbow Springs State Park in Dunnellon. Next month we are off to Koreshan State Park for a long weekend in south Florida and will be at Topsail Hill State Park in January. Stay well and we hope to see everyone soon. Alice Wymer

WILSON: Seven week trip – stopping at Goldsboro, NC and Norfolk, VA (family) then Richmond, VA, to help the Perrys install a bathroom from scratch. Then to Patomac, MD, (more family) and headed back to Richmond (to see how the bathroom was coming along), to Norfolk again and to Kannapolis, NC (more family) and now back in FL. Maggie & Ray

GET WELL CORNER: ATTN: FL UNIT MEMBERS: Keep Well – the rest of us are having a bit of a rough go – see some of the notes that came in WITH THEIR DUES!!!

CLARKE: Recovering from serious illness and doing well.

LEGGETTS: Earl is in a wheelchair, and both he and Helen are in an assisted living facility.

CARSON: Thank-you for all your cards and phone calls. I must still use the wheelchair and walker for at least another month. I have a compression fracture in my leg because the doctor allowed me to put weight on my leg too soon after the arthroscopic surgery. Joan

KRAMER: My days are full. Art has peaks and valleys but is on a decline that has no cure – he is 93 now and very determined. He has no pain for which I'm thankful. My left hip will have to be replaced, but I'm running now on injections so I can be with Art. Thank you, Joan & Frank, for all you do. Louise

NIX: Spent 2 weeks in July in NC, then came home for me to have an operation on my back after taking a fall on Dec 26 and crushing a disk in my back. Doctor replaced it Aug 4 and I am doing better. Charlie had the flu, still having back problems and is about to have his final eye surgery. We sure want to attend some of the rallies soon. Hope you both (Frank & Joan) are doing well. Roxanne

DURBIN: Joan: I made a 3 week trip back north – first to Ohio then on to the Adarondach in NY for a beautiful lakeside wedding. The trees were awesome! Hope to see you all soon. Love, Fran

SAMPSON: Having health problems all summer. I have been staying with my grandson in Jacksonville since May. Planning on having my right knee replaced Oct 26. I hope it will get me on the road again. Hope to see you in the fall at a rally. Dorothy

HENRY LAPEN: Hip replacement in January 2010.

THELMA CARLISLE: Hip replacement.

FINN: Pat – shoulder surgery; Wray – PaceMaker/Defib implant on November 3.

MICHAELSEN: The end of September, Grace was baking cookies when the phone rang. She turned and fell over some throw rugs (she had planned to shake and return to Bathroom). She lost a lot of skin on her right fore arm. About 2 inches by 3 inches. Garold

BENHAM: Don is recovering well from the fall and the bruises are disappearing. He still cannot chew but at least his jaw is not wired shut like so many have to put up with. We traveled in tandem as we have over many, many miles in the past accompanying them from Ohio into Florida where we parted company. They going to Edgewater, we coming home to TR. We're mighty glad to get here. We're also glad to see how the new younger members are taking over. That's great. We need the new blood. Ellen McMillan
